

Mindfulness Network Community Friends

Volunteer Events Coordinator

The Mindfulness Network Community Friends (MNCF) are looking for two new members to join our Committee of Volunteers! <https://home.mindfulness-network.org/meet-the-team/mindfulness-network-community-friends/>

This is an exciting opportunity to shape and support MNCF during an important time for the Committee as we work together with the Mindfulness Network to build and grow a community of people who practice, train, teach and are inspired by mindfulness and compassion.

We are looking for two enthusiastic Events Coordinators to help plan, organise and run donation-based events and opportunities to practice mindfulness. Current events include the Bangor University 20th Anniversary celebrations, weekly guided practice, fortnightly drop-ins and a special interest group for men. All events will stay online for the time being. Successful applicants will join the MNCF Committee and help coordinate our programme of events into 2022 and beyond.

All our Committee members are home-based and attend a monthly meeting. As volunteers, your time and support is so appreciated and crucial in supporting the Mindfulness Network in our charitable aims – to offer high-quality events, resources and opportunities for mindfulness practitioners, and to be part of a mindfulness community that gives back.

If you are shortlisted for this role, we will discuss with you the amount of time that you are willing to commit to volunteering, when you will be available each week, and how your availability will fit in with our needs. Although this vital role is unpaid, any reasonable expenses will be covered. Volunteers are required to sign a Volunteer Agreement and adhere to the Committee Members Terms of Reference.
